

Legacy of Learning

Early Learning Conceptual understandings

CONCEPTS

CAPABILITIES

We can show rangatiratanga and kaitiakitanga in our centres and with our whānau.

We can enhance mana mokopuna.

We are responsible for protecting and using te reo Māori and tikanga.

We are responsible for looking after and protecting the mauri of the rivers, sea and land in our area.

The past

Remembrance

There are things in our whānau and rohe that we value and need to protect.

We can treat others fairly.

Making meaning in

There are various ideas and opportunities that are important for our future.

Families share important knowledge in different ways.

discipline-specific ways

Years 1-10 Conceptual understandings

Cause and effect

We can learn from the past to improve the future in Aotearoa New Zealand.

The events of the past impact the present in various ways.

Critical inquiry

By listening to marginalised perspectives we can encourage greater understanding within Aotearoa New Zealand.

We can learn from the past to improve the future in our community and local area.

Consequences

Perspective taking

Feeling passionate about something often will motivate us to take action.

We can act to ensure that places in our area are used fairly.

Rights and responsibilities

We are responsible for protecting and using te reo Māori and tikanga.

Kaitiakitanga

Our actions can influence the world.

Different cultures have things that need protecting.

We can identify things in our community that can be improved.

There are a variety of ideas and opportunities that are important for our future.

Taking action
